REQUEST FOR HUNTING PERMIT

The hunting permits in our city are limited to a maximum of 15 individuals, who are selected through a random lottery process during a public meeting (*if applications exceed 15 City Property Owners*). If fewer applications than 15 the applicants from Lawrence Township will be chosen by date of application. This ensures fairness and equal opportunity for all interested applicants.

It's important to note that if your application is chosen in a given year, you will not be eligible for selection in the following year. This rotation policy ensures that different individuals have the opportunity to participate and enjoy the hunting experience in Canal Fulton.

Should you have any further questions or require additional information about the hunting permit process or any other related matters, please feel free to reach out. We are here to assist you and provide the necessary guidance.

Thank you for your understanding and your interest in hunting in Canal Fulton. We appreciate your cooperation in adhering to the regulations that help maintain a balanced and inclusive hunting experience for all participants.
