Cancellation Policy

Sometimes unforeseen circumstances occur that are beyond our control. In order to ensure the safety of our staff and passengers, we reserve the right to cancel your boat ride if we feel it is necessary. You will be notified as soon as possible in an effort to limit the inconvenience. In the event that we must cancel, you may either reschedule your charter or obtain a full refund. If for any reason you need to cancel your charter, please notify us in writing at least 10 DAYS in advance of your scheduled charter date. A deposit refund is not available if the charter is cancelled less than 10 days prior to the scheduled charter date.

Safety Concerns

Our staff will have taken all the necessary precautions to safeguard your group and maintain the required safety equipment on board the St. Helena III. Be aware that passengers may be exposed to certain risks inherent to any watercraft in general.

You can minimize these risks by exercising caution and practicing common sense while boarding and riding. The boat Captain's orders must be followed at all times. Chaperones are to keep close watch of the children and help staff ensure a fun and safe ride for all.

Location

The St. Helena III operates out of the St. Helena Heritage Park located in downtown Canal Fulton. There is a large parking lot in the park with room for busses and up to 200 cars. Inside the park is a covered pavilion (available on a first come first serve basis), a public playground and sits along the Towpath Trail.

Accessibility

The historic replica St. Helena III Canal Boat has four steps down onto the boat with hand railings on both sides. Passengers sit on wood benches on the boat and there are no restrooms on the boat. To request boarding assistance or other accommodations for a disability, please inquire upon booking your reservation. Accessible restrooms are available inside the Canalway Center.
